OCTOBER HEALTH EDUCATION AND WELLNESS PROGRAM—OVER-THE-COUNTER AND PRESCRIPTION DRUGS: Drugs are so common in our lives today, that sometimes we don't stop to think how often, and how casually, we take them. All medicines are double edged-swords. They can alleviate symptoms and in some cases cure disease. Hopefully, when you take a drug it will fulfill the primary function for which it was intended. Each of us has a unique way of responding to drugs, and reactions to a certain drug are not the same for everyone. It is important you take medications exactly as the doctor prescribed and not share them with anyone. October's packet will contain information on the many different kinds of medications, how your body metabolizes them, the side effects and drug interactions, generic vs. brand-name, what to ask your doctor and pharmacist about the drugs you are taking, the effects of some food on drugs, and how to keep your medicine chest safe. Packets will be available at all medical facilities and upon request to Carol Roth, CHS-005, 867-3414 or 867-2026. (JJ-C)

NOVEMBER HEALTH EDUCATION AND WELLNESS PROGRAM—AIDS INFORMATION: Since 1981, more than 600,000 Americans have been diagnosed with AIDS and at least 385,000 have died. The first ever declines in AIDS incidence and deaths occurred in 1996, with drops of 7% and 25%, respectively. These dramatic decreases in AIDS cases and deaths are largely due to successful drug treatment programs. Despite the fact that AIDS incidence is down across the United States, the number of people living with HIV infections is rising. Estimates suggest between 650,000 and 900,000 are now living with HIV and at least 40,000 become newly infected each year. In the U.S., women now account for 16% of all AIDS cases, and the number continues to rise. Worldwide, more than 30 million people are infected with HIV. Last year, 5.8 million new HIV infections occurred around the globe. The majority of HIV positive people, in developing countries (an estimated 90%), are not aware of it. Approximately 11.7 million people have died around the world from AIDS. At this time, we have no vaccine and AIDS cannot be cured; it can, however, be prevented. Education, knowledge and safe behaviors are the keys to prevention. A packet of the latest information and statistics will be available at all medical facilities in November. Packets and lectures on AIDS and its prevention are also available upon request. Call Carol Roth, 867-3414, mailcode CHS-005, email Roth-1,Carol. (JJ-C)

EXPO '98: Mark your calendars for the Business Opportunities Expo being held on Wednesday, November 4, 1998, from 9 a.m. until 3 p.m. at Cruise Terminal No. 10, Port Canaveral, Florida. This trade fair is intended to acquaint the buyers, engineers, and technical representatives with businesses which may be able to provide alternate sources of supplies/services. Both Government and contractor personnel are encouraged to visit the Expo. Over 200 exhibitors, 19 of which provide recycled products, will be present. Many exhibitors offer free promotional give-a-ways and the U. S. Environmental Protection Agency is offering an opportunity to win a \$200,000 house in celebration of America Recycles Day. There is no entrance fee. For additional information, contact the Industry Assistance Office, 867-7353. Bus service will be available beginning at 8:30 a.m. and will run continuously until 3 p.m. This service will provide transportation to and from the Cruise Terminal. The three points of service are: (1.) the east side of the Operations Support Building; (2.) the Headquarters Building; and, (3.) the E&L Building (HQ bus will stop at the E&L Building in route).

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (JJ-C)

NASA/JBOSC OUTBOUND SHIPMENTS: To help ensure that all users of the JBOSC Shipping Department have their requirements met, the following procedure must be adhered to: Shipments processed through the JBOSC Shipping Department are for official government business only. Personal shipments are not authorized. All shipments must be accompanied by a properly completed shipping request document (KSC Form 7-248 or DD-1149). Carrier freight bills without the proper KSC forms will not be accepted. Shipments involving hazardous materials must have a Material Safety Data Sheet (MSDS) or other technical data sheet. Small priority/overnight shipments, including letters, must be received in the JBOSC Shipping Department no later than 2 p.m. or they will be processed on the following workday. Large priority shipments and/or shipments requiring extensive packaging must be received at least 48 hours prior to the required date at destination. Government property tagged items need to be routed through the proper Property Control Office before requesting the shipment and/or, if required, accompanied by a copy of a property custodian's approved KSC Form 1602. If you have any questions or require further information, call the JBOSC Shipping Section at 867-3501 or 867-7998. (LO-N1-T)

GRAPHICS/PUBLICATIONS: Before you begin any work for publication, consult the JBOSC (previously Sherikon) Graphics Department. According to the print shop, approximately three jobs per week have to be reworked because of problems with alignments, reductions, and postscript formats. By consulting with JBOSC Graphics first, you will eliminate wasted time and effort to rework your project. Graphics will ensure your artwork is produced efficiently and is suitable for reproduction. Graphics has electronic transfer capability, a proven method for first quality prints directly from the original, compared to low density reproductions from copied artwork. For information, call 867-3838. (FF-S2-A)

USE OF FEDERAL PROPERTY: There are statutory and regulatory prohibitions against the use of Federal property, facilities, and equipment for personal purposes. These prohibitions apply to such items as Government vehicles, office supplies, FTS (Federal Telecommunications Systems), Datafax, computers and network capabilities, reproduction equipment, tools, and a variety of utility and other items. This also applies to equipment provided by the Government for contractor use and to items issued to the Government. Employees have a positive duty to protect and conserve such items and other property entrusted to them. (HM-A-3)

MESSENGER ENVELOPES (STANDARD FORMS 65 B & C) USERS: All offices are reminded that excess messenger envelopes should be returned to the Forms Warehouse, through the mail and distribution system, for reissue. The appropriate mailcode to use is "Forms Warehouse." (FF-S2-A)

MAIL SERVICES: Requests for mail services should be submitted through your organizational admin office or contractor mail coordinator. NASA Form 28-170, "Request for Mail Services," should be utilized for additions, deletions, or changes to existing mailcodes. Adjustments to the total number of employees serviced and standard distributions required will contribute to paper conservation. (FF-S2-A)

KSC LOCATOR UPDATES: Mailcodes, locations, and phone numbers have changed significantly due to reorganizations. Please review the monthly NASA/KSC Locator computer printout of personnel assigned to your area and update the information as required. Form 13-58, "Employee Locator Information," has been revised. Please discard revisions prior to January 1996. Form 13-58 is required for all new employees to secure status in the NASA/KSC Locator, the X.500 Personnel Directory, and for home phone number listing. (FF-S2-A)

BUSINESS REPLY LABELS: KSC Form 7-597, "Business Reply Label," is a restricted-use form available to support official mailing requirements of administrative materials back to KSC by employees while on travel status. Please note this form can only be used for mailing materials back to a KSC mailcode as printed in the appropriate space provided. Prudent use of this mailing label is encouraged to avoid unnecessary postage expenses. (FF-S2-A)

PRIVACY ACT: Under the Privacy Act, civil service employees may: (1) Determine if NASA has a record concerning you; (2) See your record; (3) Obtain a copy of your record; (4) Request that your record be amended or corrected; (5) File an appeal in the event the agency does not correct or amend your record as requested. For information, call the KSC Privacy Officer, 867-4540. (FF-S2-A)

KSC LOCATOR: Personnel at KSC are reminded, when submitting KSC Form 13-58 (Employee Locator Information) to ATS-Locator, to verify all information including the telephone directory information block. Monthly updates to the Locator printouts should be complete. This includes the "Telephone Directory" column. The letter "T" in this column indicates that the name appears in the telephone directory. Home phone numbers will not be printed in the telephone directory unless a signed Form 13-58 is submitted. (FF-S2-A)

AMERICAN EXPRESS GOVERNMENT CHARGE CARD USERS: All NASA employees at the Kennedy Space Center who have been issued an American Express Government Charge Card are reminded that the card and the account are to be used for official travel and official travel-related expenses away from your official duty station. Employees are expected to pay the balance in full each month. Delinquent charges or personal use of the card are cause for cancellation. If you have any questions, please call the KSC American Express Coordinator at 867-2860. (FF-S2-D)

RECORDS RETENTION/DISPOSITION: Each office which maintains NASA records, including NASA owned/contractor-held records, will use as many of the categories in NPG 1441.1 (as revised) as necessary to cover the disposition of records in their custody. Destruction and retention periods must conform to the authorized periods. Direct questions on categories, disposition, etc., to your organizational Records Control Officer or call the Records Manager, 867-4540, for information. (FF-S2-A)

KSC FITNESS CENTERS: November is "National Diabetes Month." Nearly 14 million Americans have diabetes, and half do not know it. During November the KSC Fitness Center staff, in conjunction with the KSC Health Education and Wellness Program (Occupational Health), will be visiting various NASA facilities to distribute information about diabetes. Visit our display to learn if you are at risk. Our first stop will be the SSPF lobby on November 2 and 4 from 11 a.m. until 1 p.m.

EMBRY-RIDDLE AERONAUTICAL UNIVERSITY: ERAU will be offering a new masters degree program beginning in January 1999. The Master of Science in Industrial Optimization will provide an opportunity for engineers and scientists to develop practical skills in designing and improving aerospace systems and processes. The program will use aerospace case studies (including shuttle and space station systems) and application software to develop and apply these skills using statistics, optimization, and quality. ERAU is now accepting applications for the MSIO program. For more information, call Dr. Debbie Osborne at 904-226-7688 or visit our website at <http://erau.db.erau.edu>.

BREVARD COMMUNITY COLLEGE: BCC currently has openings for instructors at KSC/CCAS for both evening and day classes in Logistics, Mathematics and Psychology. A Masters Degree is required of instructors. For more information, interested individuals should call the BCC office at KSC, 449-5046.

NASA KENNEDY MANAGEMENT ASSOCIATION (NKMA): Looking for an opportunity to develop leadership and managerial skills? Looking for a place to meet Kennedy decision makers? Looking for a place to grow? For more information, visit our website at <http://nkma.ksc.nasa.gov> to find out about upcoming activities.

KARS FLAG FOOTBALL: A League organizational meeting is scheduled for Tuesday, November 3, 1998, at 4 p.m. in OSB, Room 2318. For additional information, call Butch Cabe, 861-4584.

AMERICAN EXPRESS TRAVEL: Disney cruise line's Sunshine Getaway for the winter—3-night cruise to Bahamas from \$424 for adults and \$179 for children—includes port charges! Valid between January 4, 1999 through March 15, 1999. Prices subject to availability. For information, call American Express Leisure Office at 867-3927 or 853-9528.

SPACEPORT GUN CLUB: The Spaceport Gun Club is offering the NRA Personal Protection Course Saturday, November 7, at KARS Park I, Merritt Island, 2 miles north of the barge canal bridge, turn east off SR 3. Session is at the clubhouse, 8:30 a.m. to 5:30 p.m. Class size limited on first-enroll basis. Class fee \$25. To sign up for class or additional information, call John Czere at 631-8637(h) or Bruce Laubenheimer at 783-1586(h). Students will be required to furnish: 1.) Handgun properly cased for transportation (NOTE: No caliber larger than 45); 2.) 78 rounds of factory loaded ammunition; 3.) Eye protection (glasses); 4.) Hearing protection.

KSC BARRACUDAS: The KSC Barracudas Skin and Scuba Diving Club holds monthly general meetings on the first Tuesday at 7 p.m. at the Merritt Island Ppublic Library, 1195 N. Courtney Parkway, Merritt Island, FL 32953. All members and guests are invited. For more information, contact Bill Little at 853-7703 or email at cudas@mindspring.com. Visit our web site at www.mindspring.com/~cudas/home.html.

PERSONALITY PREFERENCE TESTING: Robin Lusardi of our CTAP office is certified to administer and interpret **The Myers-Briggs Type Indicator** evaluation. Discover the real YOU! Capitalize on your personality type and communication skills. She will also meet with work groups to discuss how working productively and smoothly requires an understanding of ourselves as well as our co-workers. To take advantage of this opportunity, call Robin at CTAP, 867-4350.

CTAP: The Career Transition Assistance Program is available to assist the KSC NASA employee. Support areas include resume writing, interviewing, job search activities, starting your own business, consulting, and many other self-help programs designed to assist you. We also have a reference area with many key publications and a computer lab loaded with special software and direct links to the “net.” Co-located as part of the CTAP team is an Employment Specialist from the Florida Department of Labor who can assist in using the computerized Florida Job Information System. CTAP is located in HQ, Room 1355, 7:00 a.m. to 3:30 p.m. You may also reach us through the NASA KSC homepage (see: PERSONNEL/CTAP). Whether you are interested in individual counseling, dynamic workshops, or “surfing on your own,” CTAP can help! Call our office at 867-4350 today for further information.
